

# An Important Insurance Note

*All participants on international ATS trips must have appropriate travel insurance.*

We are providing you with a link to the Travelex Insurance plan browsing page:

<https://www.travelex-insurance.com/Enrollments/BrowsePlans.htmx>

and Location Code (you will be asked for this when you enroll): **13-1157**

*Please take time to familiarize yourself with the plans they offer so that you may select the one best for you.*

We recommend Travelex (Travelite or Travel Plus) as they have proven to be an exceptional provider with a reputation for paying out promptly and fully. Naturally, we hope that our participants will never have to use those services, but it is good to know that we have a strong relationship with a reputable vendor.

Additionally, Travelex provides reimbursement for trip delays (for as little as 3 hours), lost luggage, and trip cancellations. Since 9/11 changes have occurred in all international travel insurance policies. Please be sure to read and understand all conditions specified in the policy.

Pre-existing conditions - for you *or any family member* - are waived if you purchase your insurance within 14 days of your initial trip payment. Therefore, we recommend that you purchase your insurance at the same time you make your initial deposit and complete the required forms. Again, please read their policy information carefully. You may register over the phone or on the web. Their 800 number is **800-228-9792** should you have specific questions or want to make your purchase directly over the phone. We are happy to make your insurance arrangements for you. Our service fee is \$1.00.

Finally, if you choose to get travel insurance through a different carrier, that is fine too. Please be aware that your existing general health insurance plan (whether company provided or purchased for this trip) may not cover you when you are outside your home country. Please contact your representative to review your coverage limitations.

**Regardless of who provides your trip insurance, we'll need proof of your coverage.** Just send us a copy of the receipt from your carrier (with their emergency contact information) for our files. We'll keep this information with the trip leader, along with your emergency contact information (provided in your Terms & Conditions paperwork), to ensure that the ground operators are able to act promptly and appropriately should the need arise.

Please initial the lines below after reading the statements. At the bottom, please sign and print your name, and write in today's date. The completed form should be returned to ATS at the address below (it can also be scanned and emailed to [lisa@adventure-travelers.com](mailto:lisa@adventure-travelers.com)).

Thank you!
